THE PEAK PROCESS

01

CONSULT / QUOTE

We'll start by discussing your wedding day transportation needs and gathering key itinerary details, including venues, timelines, and passenger counts. Our team will then recommend the best vehicle options and pairings to ensure a seamless experience for you and your guests. Once your custom proposal is prepared, you'll have the opportunity to review your transportation plan, secure your reservation with a 25% retainer, and be paired with a dedicated wedding coordinator who will guide you through the planning process from start to finish.

02

PLANNING

Your wedding coordinator will work closely with you to refine your transportation plan, headcount(s) and timeline. We will coordinate logistics to ensure every detail is accounted for.

Our goal is to proactively manage the transportation details so you can focus on enjoying the planning process and celebrating your special day. We will provide personalized communication leading up to your wedding: chauffeur image and info the evening prior, en route and on location texts.

03

WEDDING DAY

No later than the day before your wedding, you'll receive your chauffeur image and contact info.

On the day of your event, our chauffeurs will arrive at least 15 minutes early and execute your transportation plan with reliability, professionalism, and attention to detail. Automated texts can be sent to your planner or a family member to let you know we are en route and on location.

FAQS

How far in advance should we book?

We recommend that you book as soon as possible and when you're comfortable committing. We are typically very busy and will sell out during April, May, September and October.

When are final details due?

We like to have your final details confirmed no later than 2 weeks prior to the wedding. Changes will also need to be submitted at least 2 weeks prior.

Can we make changes after booking?

You can! We will need final details at least 2 weeks prior. Changes to your timeline may result in additional chargers.

What happens if our timeline changes?

Just let us know! We are happy to update your timeline and offer recommendations, if needed. Timeline changes need to be submitted at least 2 weeks prior.

Do your vehicles stay onsite?

This depends on your type of booking. Most often, we book consecutive hours for weddings and the vehicle will remain onsite or nearby. If you have booked consective hours, the vehicle(s) can be available for earlly departures at no extra charge.

Can guests leave items on the vehicle?

Yes, if you have booked a consecutive hour booking.

What if my guest count changes?

Just let us know! Additional charges may apply if your headcount grows and additional vehicles are needed.

How do hotel shuttles work?

We prefer to provide transportation for your full guest headcount so that everyone is arriving at the same time. We realize that sometimes we will need to provide a back and forth shuttle and will work with you on your timeline and logistics.

Are all fees and gratuities included in my quote?

Yes, gratuity and all fees are included at the time of quoting. The only time extra fees would apply is if you extend beyond the original booking timeline, or in the unfortunate circumstance that someone becomes ill while on board.

Do you allow alcohol in your vehicles?

Yes, we allowed alcohol to be brought onboard. Please note that we are not allowed to provide alcohol. We do not permit alcohol to be brought onboard for evening, post-event or post-reception shuttles.
